R.O.C. No. 4030-21-E.1.

Station Mangalore, *dated the* 28th September 1921.

From (*Name*) R. H. Ellis, Esquire, I.C.S.,

(*Designation*) Collector of South Kanara.

To The Secretary to the Board,
Land Revenue, Madras.

Sir,

The institution No. 727 known as the Haryadi ---------- Vokareshwari of Heskuttur village (of the old Udipi Taluk) was in receipt of a tasdik allowance of Rs. 4 per annum, --- which was being paid under the Beriz Deduction System from the land revenue collections of that village. Owing to the absence of a duly appointed moktessor, the allowance has -- been held in deposit since Fasli 1318. The enquiry held shows that the institution is in repairs and the services - therein have been regularly performed. The delay in ----- claiming tasdik allowance was due to the delay in getting a sanad from the temple committee after the death of the last moktessor. As the allowance has been held in deposit for

more than 6 years, it is liable to be struck off the register under B. S. O. 67, paragraph 7. I therefore recommend that the institution may be readmitted and that payment of arrears of allowance from Fasli 1330, the year in which the claim was -- preferred, may be sanctioned.
